ONETrack International is recognized by funding platform Global Giving.

Innovative orphan-care agency ONETrack International (OTI) received several levels of recognition from charity crowdfunding platform, Global Giving. Global Giving performs rigorous due diligence on every organization and connects donors with grassroots projects. The 2021 recognitions awarded to OTI include “Top Ranked”, “Effective” and “Vetted”.

OTI’s Media and Marketing Director, Hilary Hahn says, “Global Giving is a trusted partner and we appreciate their recognition of our commitment and dedication to the beneficiaries we serve.” ONETrack International has been previously recognized with similar awards in 2020 and 2019.

###

ONETrack International (OTI) is a volunteer driven 501c3 working to solve the Global Orphan Crisis through the education, training and support of the family preservation model called Transition to Home. OTI's innovative orphan-care program covers twelve critical components including International Laws, Women's Rights, and Monitoring & Evaluation. OTI works in developing countries and refugee communities with current projects in Cambodia, Cameroon, Greece, Honduras, Kosovo, Liberia, The Gambia, and Zimbabwe.
