## *Annual Impact Report*

# 2023

Welcome to ONETrack International's 2023 Impact Report, showcasing the key efforts that have helped us reimagine orphan care and transform the lives of children worldwide. Inside, you'll find highlights from volunteer-led events like Yoga for a Cause and charity marathons, alongside financial breakdowns, inspiring volunteer spotlights, and more. This report captures the collective impact of our team and supporters as we continue to drive meaningful change for orphaned children across the globe.

# TABLE OF CONTENTS

01

## Letter From the Board

Our mission, achievements, and gratitude, highlighting community support.

02

## Who We Are

About how ONETrack International is dedicated to supporting orphans worldwide.

03

## Congo-Brazzaville

Overview of how we help children with their educational needs in Congo-Brazzaville.

04

## Event Highlights

Memorable moments, community engagement, and the positive impact of our volunteers.

05

## Financials

Transparent overview of our funding, expenditures, and impact.

# LETTER FROM THE BOARD

Dear Friends and Supporters,

As we reflect on the past year, we are filled with immense pride and gratitude for what we have achieved together. On behalf of the Board of Directors, I am honored to present our Annual Impact Report for 2023, a testament to the collective efforts and unwavering support of our community, donors, volunteers, and staff.

Over the past year, our organization has made significant strides towards fulfilling our mission of reuniting families and supporting the education and home needs of orphaned children. Thanks to your dedication and generosity, we have been able to continue to provide these services to those in our programs. These achievements are not just numbers; they represent real, tangible improvements in the lives of the individuals and communities we serve.

We also faced challenges, as all organizations do, but your steadfast support has been a guiding light. Your belief in our mission has empowered us to overcome obstacles and continue striving towards our goals with renewed vigor. As we look to the future, we are inspired by the possibilities and remain committed to seeing our projects thrive and continue to grow.

We extend our deepest gratitude to each of you – our donors, volunteers, and partners. Your support is the backbone of our success and a beacon of hope for those we serve. It is with your help that we can continue to make a difference, and we are profoundly thankful for your yearly engagement and belief in our cause.

In the pages that follow, you will find a detailed overview of our activities, financial performance, and the stories of those whose lives have been touched by our work. We hope these reflections offer you a glimpse into the profound impact your support has made and inspire you to continue being part of our journey.

Thank you once again for your unwavering support. Together, we are making a lasting impact and creating a brighter future.

With heartfelt appreciation,

Shaun Bamforth, Executive Director

Todd Finklestone, Director of Operations

## *Morning & Mimosas Yoga Event*

In August, ONETrack International held the Morning & Mimosas, uniting the community for wellness and a meaningful cause. Participants enjoyed yoga and mimosas, with proceeds supporting orphans worldwide and reimagining orphan care through innovative programs. The event was a joyful reminder of our collective ability to make a significant impact on those in need.

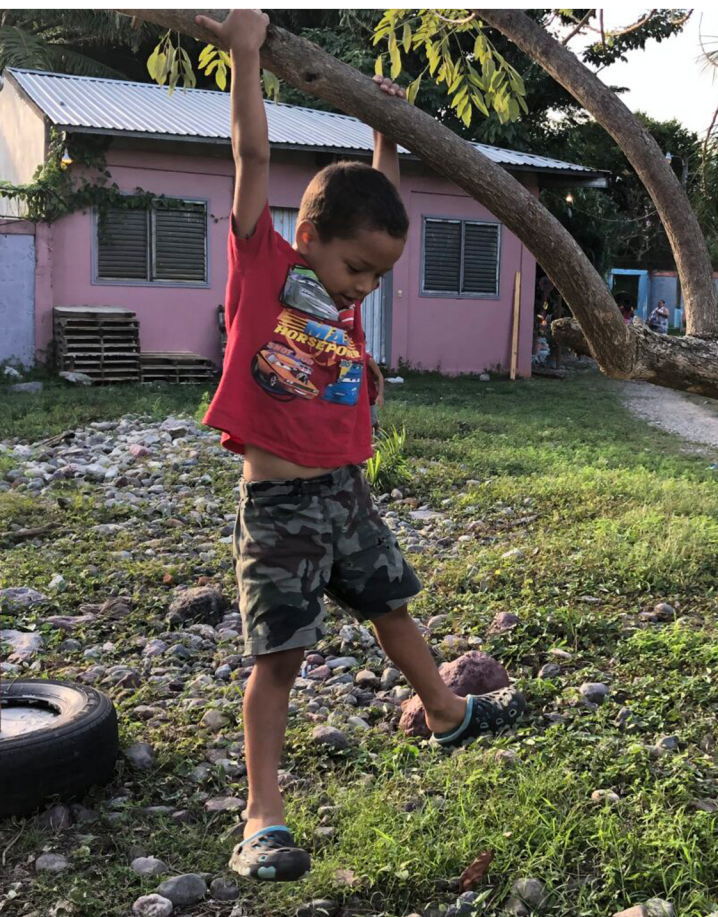

# WHO WE ARE

We envision a world in which the Global Orphan Crisis is better managed and all orphaned children are raised in a family environment with proper education and healthcare.

ONETrack International's mission is to build awareness of the Global Orphan Crisis and promote innovative orphan-care solutions by encouraging our Transition to Home approach to family reunification that is tailored to the culture and communities in which we work.

At the community level, ONETrack supports children's projects that place orphaned and vulnerable children in the households of trusted guardians within their communities of birth, or those that take preventative measures to ensure that children who are at-risk of being placed in institutional care, will not be separated from family because they lack crucial resources. We support host families by funding essential services for children, such as education, health care, and the caretaker support required to keep families together in a secure environment.

## We run or support projects on 5 continents.

There are currently an estimated 150 million children worldwide who have been orphaned by a variety of tragic circumstances. Sadder still is that most of these children have been harmed by a second injustice and many are unnecessarily suffering in overcrowded and under-resourced institutions. ONETrack International believes that the responses to this crisis need to be reassessed and better solutions need to be put in place! We have a proven system as a successful practice in family preservation programs across the globe.

**We envision a world in which the Global Orphan Crisis is better managed.**

# CONGO- BRAZZAVILLE

ONETrack International, together with our dedicated friends and supporters, is working with one community in the Republic of Congo, to help provide orphaned and vulnerable children with their educational needs – which is one of the three pillars of our Transition to Home philosophy, alongside healthcare and making sure that children are placed in a secure family home. The children in this community have never had a school of their own – until recently, when ONETrack assisted in supporting the salaries for new teachers and helping to finance new learning facilities. Now, construction is underway to provide students who are ‘aging out’ of the program with a new vocational center to help support their further career development as they enter adulthood; this will provide them with the tools they will need to strengthen their capabilities and enable them to develop important life skills. We will keep you updated on the progress!

Supporting **education** and **water** security in Congo-Brazzaville.

# EVENT HIGHLIGHT

## *Yoga for a Cause*

In September, the Yoga for a Cause event at Boston Common was a huge success, bringing together community members and volunteers in a spirit of wellness and philanthropy. Participants gathered in the park for a rejuvenating yoga session.

Thanks to the incredible participation and generous contributions from all involved, we made significant strides toward supporting our mission to reimagine orphan care in Latin America, and worldwide. Together we are helping develop innovative programs that provide essential resources to support orphaned children.

# EVENT HIGHLIGHT

## *Olympic Day in Cameroon*

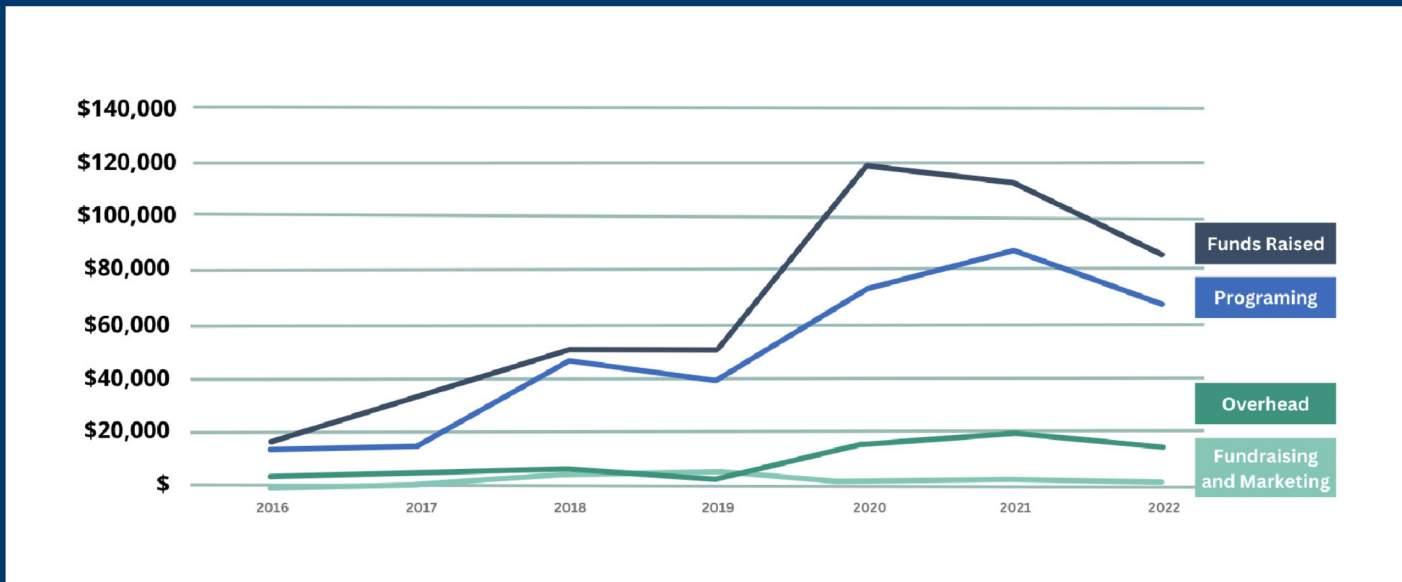

In March, ONETrack International volunteers had the exciting opportunity to spend a day with children in Cameroon, participating in their own Olympic games. The event was filled with enthusiasm as the children competed in various sports, promoting teamwork, camaraderie, and a spirit of friendly competition.

This memorable experience underscored the importance of play in building confidence and community among the youth, reinforcing ONETrack International's commitment to empowering children around the world.

# FINANCIALS

At ONETrack International, we are committed to ensuring that every dollar entrusted to us is used efficiently and effectively to support the forward movement of our mission. In the past year, we have continued to prioritize transparency and financial stewardship, directing crucial funding towards programs that directly impact the communities we serve.

## *Mountain Railroad Half Marathon*

In May, runners participated in the Mountain Railroad Half Marathon on behalf of ONETrack children, and the effort was very successful. This event, held in Everett, Pennsylvania, celebrates health and wellness and served as an amazing opportunity for our volunteers to promote fitness while also raising awareness for the needs of orphaned children from across the globe.
