LETTER FROM THE BOARD

Dear Friends and Supporters,

As we reflect on the past year, we are filled with immense pride and gratitude for what we have achieved together. On behalf of the Board of Directors, we are honored to present our Annual Impact Report for 2024, a testament to the collective efforts and unwavering support of our community, donors, volunteers, and staff.

Over the past year, our organization has made significant strides towards fulfilling our mission of reuniting families and supporting the education and home needs of orphaned children. Thanks to your dedication and generosity, we have been able to continue to provide these services to those in our programs. These achievements are not just numbers; they represent real, tangible improvements in the lives of the individuals and communities we serve.

We also faced challenges, as all organizations do, but your steadfast support has been a guiding light. Your belief in our mission has empowered us to overcome obstacles and continue striving towards our goals with renewed vigor. As we look to the future, we are inspired by the possibilities and remain committed to seeing our projects thrive and continue to grow.

We extend our deepest gratitude to each of you – our donors, volunteers, and partners. Your support is the backbone of our success and a beacon of hope for those we serve. It is with your help that we can continue to make a difference, and we are profoundly thankful for your yearly engagement and belief in our cause.

In the pages that follow, you will find a detailed overview of our activities, financial performance, and the stories of those whose lives have been touched by our work. We hope these reflections offer you a glimpse into the profound impact your support has made and inspire you to continue being part of our journey.

Thank you once again for your unwavering support. Together, we are making a lasting impact and creating a brighter future.

With heartfelt appreciation,

Shaun Bamforth

Hand-Sewn School Uniforms:

In early 2024, volunteers in the Republic of Congo hand-sewed school uniforms for students in a community that had only recently gained access to a school. Throughout the year, these uniforms fostered unity, strengthened students' sense of belonging, and helped them feel proud to be part of their school. They also eased financial pressure on families and ensured students could show up confident, prepared, and ready to learn. This impact has reached far beyond the classroom and become part of a larger story of opportunity and growth.

THE GAMBIA – Transition to Home Keeps Families Together

ONETrack in the Gambia supports over 100 children in our partner program, many of which are orphaned children living in the households of surviving family members. Taking on the responsibilities of a young relative is a difficult endeavor for families with limited means. There are many expenses to be considered: food and healthcare, school fees and uniforms.

The Gambia has many parentless children and is one of the youngest countries in Africa, with nearly half of the population under the age of 13. Often children are forced to find work to contribute to their families' living expenses and daily needs. This burden is disproportionately placed on orphaned children living in foster care. Many parentless children in The Gambia do not attend school due to their inability to afford the necessary fees. ONETrack and Future for Farato ensure that the parentless children within our care will never need to participate in labor and miss school in order to support their own educations.

EVENT HIGHLIGHT

Gear Shop Grand Opening

In February 2024, we proudly celebrated the grand opening of our ONETrack International merch store, marking a meaningful milestone for our organization. The launch of our first gear collection was more than just a new initiative, it was a powerful way for our community to visibly stand behind our mission.

Each purchase from the drop helped generate direct support for our programs, while every piece worn became a conversation starter about the work we are doing around the world. Seeing our supporters represent the mission in such a tangible way made this launch a true highlight of the year and a reminder of the strength of our community.

EVENT HIGHLIGHT

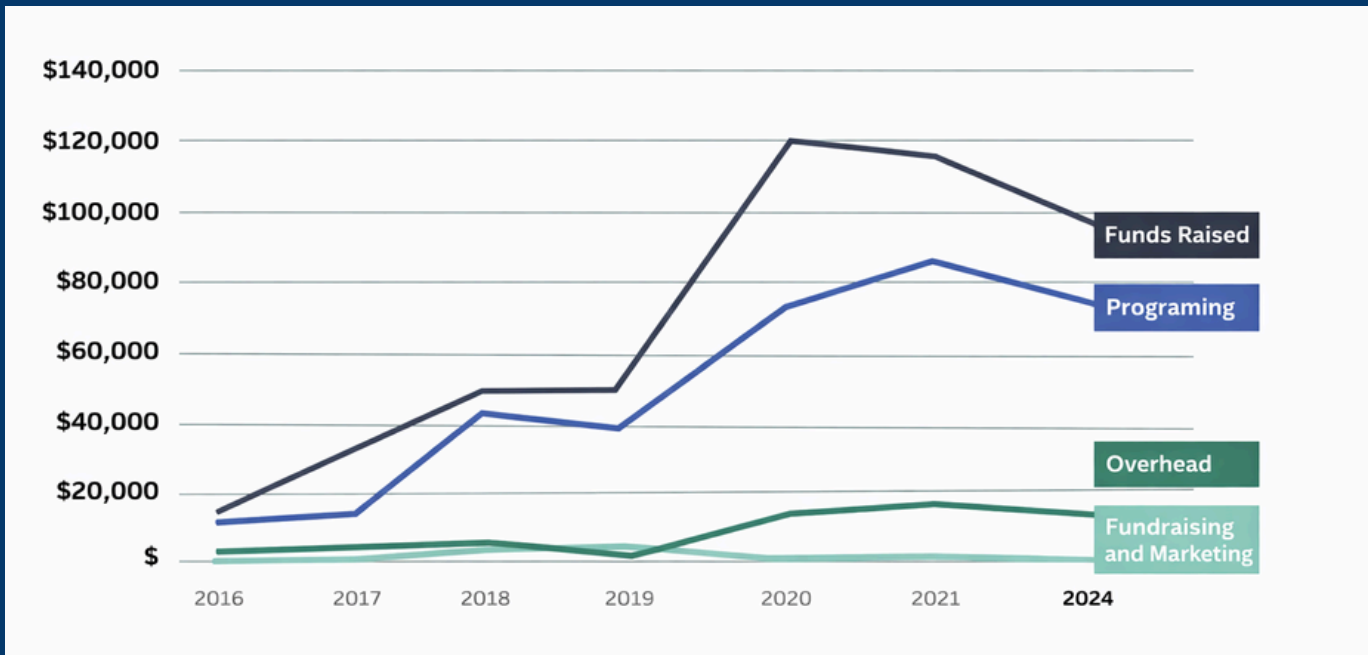

Game Night - University of Buffalo

Thank you to everyone who joined us for Game Night at the University of Buffalo in November. The evening was a tremendous success, bringing together members from across the community for a fun, energetic night filled with connection and friendly competition. We are grateful to every person who took time out of their schedule to attend, participate, and support the event.

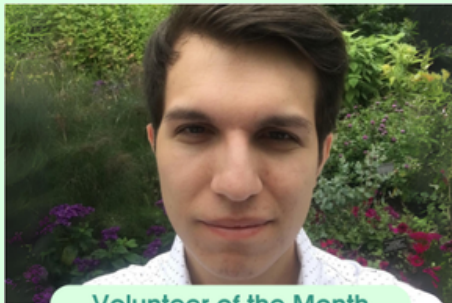

We also extend our sincere appreciation to those who worked behind the scenes to plan and execute the night so seamlessly. Your dedication made the event possible. All resources raised from the night directly support OTI's work to expand our global impact and continue creating opportunities for children around the world.

FINANCIALS

ONETrack International remains committed to maximizing the impact of every dollar raised. In 2024, the organization secured \$90,000 in funding, with \$70,000 dedicated directly to program delivery. By maintaining consistent overhead and fundraising & marketing expenses, ONETrack ensures operational stability while channeling the majority of resources into mission-driven work. This approach reflects a strong commitment to transparency, efficiency, and delivering meaningful outcomes for the communities it serves.

Volunteer Appreciation:

Our 2024 impact would not have been possible without our incredible volunteers around the world. From hosting events to organizing fundraisers and raising awareness in their communities, they turned passion into real support for children in need.

Because of their time, energy, and leadership, we grew in meaningful ways. We built new partnerships, reached new audiences, and created lasting impact together. Along the way, we formed friendships and memories that remind us this work is about community as much as service. Thank you to every volunteer who made this progress possible.
