Annual Impact Report

2025

Welcome to ONETrack International's 2025 Impact Report, highlighting the milestones and momentum that continued to move our mission forward this year. Inside, you'll find highlights from key moments such as student graduations in Cameroon, the launch of a new partnership in Tanzania, and standout events hosted throughout the year including 5Ks in California and live music fundraisers in New York. Alongside these achievements, the report provides financial breakdowns and showcases the tangible outcomes made possible through the collective efforts of the organization and its global community. This report reflects the dedication of our volunteers, partners, and supporters as we continue working together to create lasting change for children around the world.

LETTER FROM THE BOARD

Dear Friends and Supporters,

Reflecting on the past year fills us with gratitude and pride for everything we have accomplished as a community. On behalf of the Board of Directors, we are pleased to present our 2025 Annual Impact Report, highlighting the collective dedication and generosity of our supporters, volunteers, staff, and partners.

During the past year, our organization made important progress toward fulfilling our mission of bringing families back together and addressing the educational and housing needs of orphaned children. Your generosity and continued encouragement made it possible for us to maintain and strengthen the services offered through our programs. These successes represent more than figures or milestones—they reflect meaningful and positive change in the lives of the people and communities we serve.

We also experienced challenges, as every organization does, but your ongoing support provided direction and encouragement during difficult moments. Your trust in our work enabled us to move forward, overcome obstacles, and pursue our mission with renewed energy and purpose. As we turn toward the future, we remain hopeful, motivated, and committed to expanding and sustaining our initiatives.

We extend our deepest appreciation to all of you—our donors, volunteers, and partners—whose dedication makes our work possible. Your support serves as both the foundation of our achievements and a source of hope for those we assist. We are sincerely thankful for your continued involvement and for the confidence you place in our mission year after year.

Within the following pages, you will discover a detailed account of our programs, financial results, and personal stories from those impacted by our efforts. We hope these reflections demonstrate the meaningful difference your contributions have made and inspire you to continue alongside us on this journey.

Thank you once more for your unwavering commitment. Together, we are creating lasting impact and helping shape a brighter future.

With heartfelt appreciation,

Shaun Bamforth
Executive Director

Todd Finklestone
Director of Op-erations

Cameroon Graduation:

In June 2025, we proudly celebrated the graduation of sponsored students in Cameroon. This celebration reflected years of dedication, perseverance, and opportunity made possible through sustained access to education. Each graduation represented more than academic achievement; it symbolized growth, stability, and renewed hope for the future. Recognizing these students' accomplishments stands as one of the most inspiring highlights of the year and a powerful reminder of the lasting impact education creates within communities.

TANZANIA – Building Hope and Opportunity

ONETrack International is proud to launch a new partnership in Tanzania, supporting a local foundation dedicated to helping vulnerable children break free from the cycle of poverty. Together, we are working to provide hope for the future through a safe, loving, and nurturing environment, reliable nutrition, and access to quality education. The center offers a refuge for children who have faced significant hardship – including abuse, abandonment, extreme poverty, and in some cases the loss of parents due to the HIV/AIDS pandemic. Many arrive with long-term health challenges, psychological trauma, or the effects of early malnutrition that can impact lifelong development.

Through our joint efforts, these children receive the care, stability, and opportunities they need to heal and grow. Our goal is to empower them to thrive and, in time, become positive forces within their communities, helping to break the cycle of poverty for future generations.

We are honored to expand our global family to Tanzania and look forward to sharing more updates as this important work continues.

Supporting children in Tanzania through Education and Family-Based Care

EVENT HIGHLIGHT

Beats, Burritos, & Big Impact

In May, we hosted one of our most memorable events of the year at Iron Agave in Binghamton, New York. The evening was orchestrated by the brothers of the Pi Zeta fraternity, live music was graciously provided by the local band Hot Machine, and a portion of all food and drink sales were donated directly to advancing our global mission.

We are deeply grateful to the community members who made the night possible, from those who helped organize the event to those who showed up with friends and supported the cause. Events like this create a meaningful ripple effect, strengthening communities close to home while helping expand opportunity and hope for vulnerable children all around the world.

EVENT HIGHLIGHT

UC Berkeley 5k - Run4ONE

In July, our 5K event at UC Berkeley emerged as another standout highlight of 2025. The race brought students and community members together in support of our mission to expand opportunity for children around the world. Through registration fees, donations, and increased awareness, the event generated meaningful resources that directly supported our global programs.

The event reflected the strength of our community and the power of collective action. The dedication of the organizing team and the enthusiasm of every participant made the day both successful and significant. This event remains a proud example of how local engagement can drive global impact.

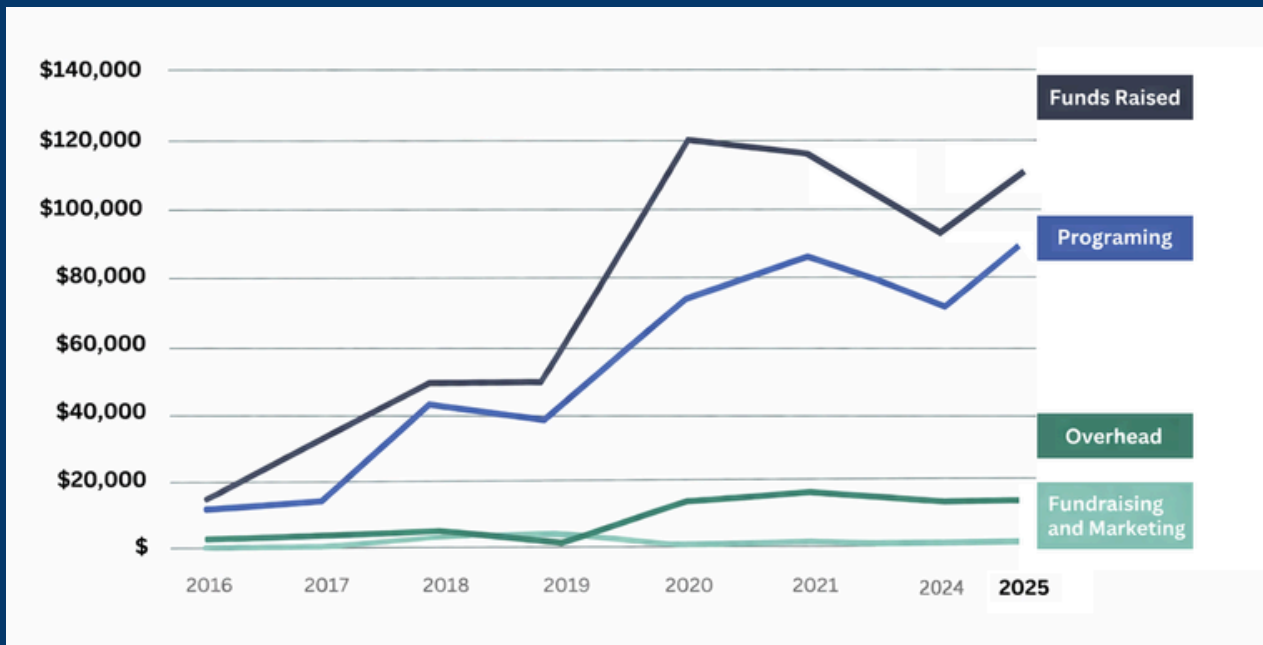

FEATURED PHOTO:

Bingo Night at Oldfield's

In December, we hosted a lively Bingo Night at Oldfield's Tavern in Columbus, Ohio, bringing our community together for an evening of connection and fun. Guests enjoyed friendly games while helping raise meaningful support for our programs, with 20 percent of event sales donated to ONETrack International.

We are grateful to partners like Oldfield's Tavern for opening their doors and supporting our mission. Community partnerships like these help expand awareness and generate the resources needed to support vulnerable children around the world.

FINANCIALS

ONETrack International remains committed to maximizing the impact of every dollar raised. In 2025, the organization secured \$110,000 in funding, with \$95,000 dedicated directly to program delivery. By maintaining consistent overhead and fundraising & marketing expenses, ONETrack ensures operational stability while channeling the majority of resources into mission-driven work. This approach reflects a strong commitment to transparency, efficiency, and delivering meaningful outcomes for the communities it serves.
